

101 Prairie Lane

Rolling Hills Addition, Morrison

Newly Constructed and Loaded With Extras

Beautiful custom cabinets paired with granite countertops accent the kitchen with its ceramic tile floor. From the kitchen, move into the living room with its remote-controlled gas log fireplace and 40-inch plasma TV.

Each room is pre-wired for satellite and telephone lines. From the living room enjoy the country view through the large picture window, or access the back patio.

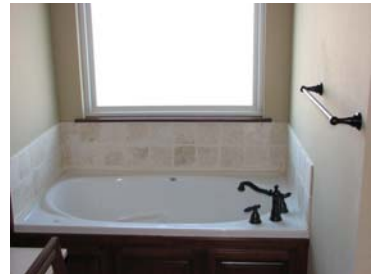

The patio also offers access to the master bedroom and bathroom which offers a garden spa tub, his and hers vanities, separate shower and large walk-in closet.

The home features three additional bedrooms with ample closet space, an office/study, laundry/utility room that is plumbed for either gas or electric appliances, and an attached oversized three-
